

# RESIDENTIAL & COMMERCIAL THIN BRICK

On construction projects, tight deadlines are always an issue. Often, long lead times just won't work and anxiously waiting for material is never a good thing. Sometimes delays can't be helped but as the old saying goes, "time is money".

That's why METROBRICK® created the Fast Ship Program. With the Fast Ship program, METROBRICK's seven most popular colors - in modular size and wire cut finish – ship to you FAST.

Now METROBRICK has shifted Fast Ship into high gear by adding BLENDS to the Program. That's right, six great looking blends are now available - giving you even more options.

**Quick turnaround** for small orders.

**SEVEN** colors and **SIX** blends available

Usually ships within **FIVE** days!\*

\*Levels of inventory vary. Our ability to fast ship is based on a first-come first-served basis. Levels of inventoried items will fluctuate. Inventory is designed to assist in quick turn around for smaller quantity orders- normally under 10,000 sq. ft. Lead time for blends is approximately two to four weeks.
